PETITIONING THE COURT

☐ To issue a warrant

☒ To issue a summons

The probation officer believes that the offender has violated the following conditions of supervision:

| <u>Violation Number</u> | <u>Nature of noncompliance</u> |
|-------------------------|--------------------------------|
|-------------------------|--------------------------------|

1. The offender has violated the standard supervision condition which states 'You shall refrain from excessive use of alcohol and shall not purchase, possess, use, distribute, or administer any narcotic or other controlled substance, or any paraphernalia related to such substances, except as prescribed by a physician.'

On August 3 and October 4, 2011, the offender submitted urine samples which yielded positive results for cocaine.

2. The offender has violated the special supervision condition which states 'The defendant shall refrain from the illegal possession and/or use of drugs and shall submit to urinalysis or other forms of testing to ensure compliance. It is further ordered that the defendant shall submit to drug treatment, on an outpatient or inpatient basis, as directed by the U.S. Probation Office. The defendant shall abide by the rules of any program and shall remain in treatment until satisfactorily discharged with the approval of the U.S. Probation Office.'

During the office visit on August 3, 2011, the offender refused to enter into a community correctional center, halfway house, or similar residential facility in addition to participating in outpatient treatment after submitting the positive urine samples mentioned above.

I declare under penalty of perjury that the foregoing is true and correct.
